Mrs Parker,
I am very honored
to have someone like you
in my life. You have been
such an important person in my
life. Thank you for the laughs, the
cries, the love, and most importantly
the memories. I love you!!

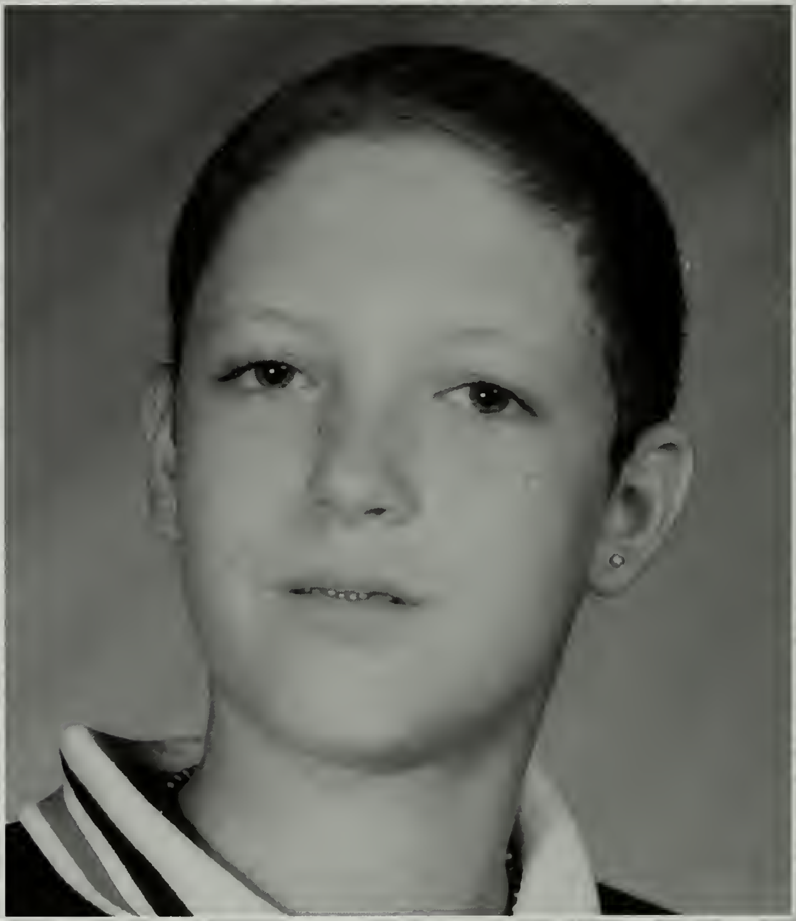
DEDICATION

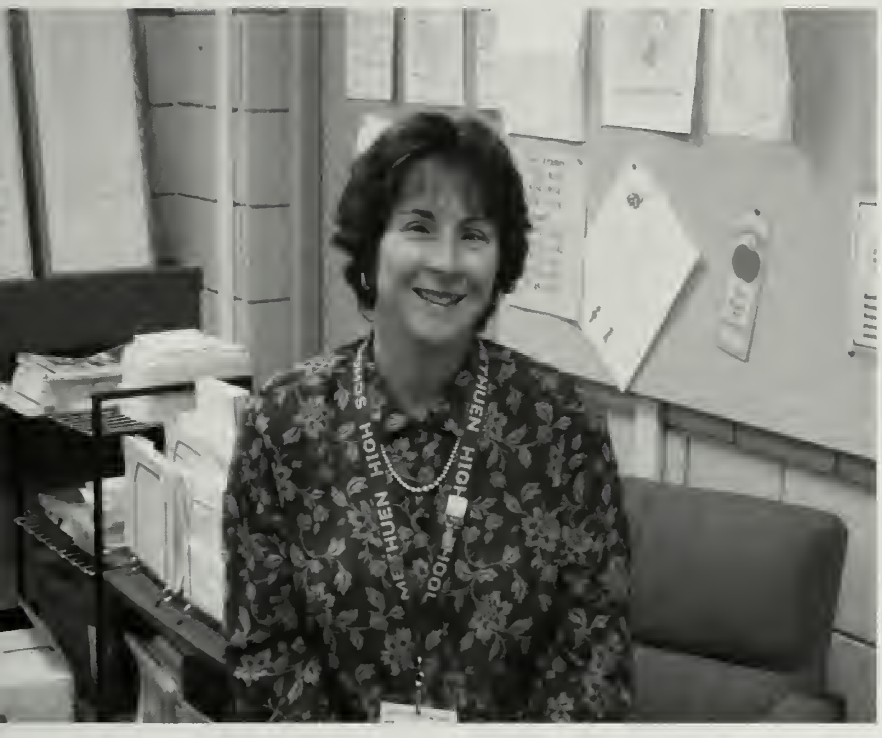
Joseph "J.D." Daniels

(1984-1997)



"And at night you will look up at the stars.
Where I live everything is so small that I cannot
show you where my star is found. It is better
like that. My star will just be one of the stars for
you. And so you will love to watch all the stars
in the heavens. They will all be your friends."

ADMINISTRATION



My message to you:

It is already tomorrow. Time, which never stops on its journey, will pass before your eyes, and you will leave Methuen High School and become members of a larger community. As you look back on the years you spent at Methuen High, I hope the photos and memories in this book will be your stepping stones to a happy reminiscence. I wish you pleasant memories and a future that will be filled with much happiness and success.

Sincerely,

Ms. Ellen Parker

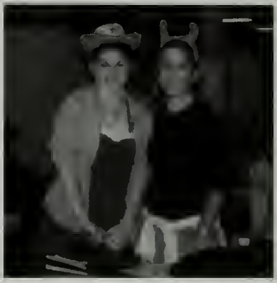
Class of 2002 as Sophomores



It's so hard to say goodbye to yesterday...

Remember days of skipping school
Racing cars and being cool
Remember at the prom the night
You and me we had a fight
But the band there played our favorite song
And I held you in my arms so strong
~John BonJovi

Live and learn
Well the years they flew
And we never knew
We were foolish then
We would never tire
And that little fire
Is still alive in me
It will never go away
Can't say goodbye to yesterday
~Madonna

And I'll take with me the memories
To be my sunshine after the rain...
~Boys 2 Men

Goodbye, there's just no sadder word to say
And it's sad to walk away
With just the memories
Who's to know what might have been
We leave behind a life and time
We'll never know again
~Diane Warren

And so we talked all night about the rest of our lives
Where we're gonna be when we turn twenty-five
I keep thinking times will never change
Keep on thinking things will always be the same
But when we leave this year we won't be coming back
No more hanging out 'cause we're on a different track
And if you got something that you need to say
You better say it right now cause you don't have another day
'Cause we're moving on and we can't slow down
These memories are playing like a film without a sound...
We'd get so excited, we'd get so scared
Laughing at ourselves thinking life's not fair...
Will we think about tomorrow like we think about now?
Can we survive it out there? Can we make it somehow?
I guess I thought that this would never end
And suddenly it's like we're women and men
Will the past be a shadow that will follow us round?
Will these memories fade when I leave this town
I keep thinking it's not goodbye
Keep on thinking it's a time to fly
~Vitamin C

I can see your face
In our secret place
You're not just a memory
~Madonna

How do I say goodbye to what we had
The good times that made us laugh
Outweighed the bad
I thought we'd get to see forever
But forever's gone away
It's so hard to say goodbye to yesterday.

I don't know where this road
Is going to lead
All I know is where we've been
And what we've been through
~Boys 2 Men

Time, sometimes the time just slips away
And you're left with yesterday
Left with the memories...
Though we go our separate ways
I won't forget so don't forget
The memories we made
~Diane Warren

You can always count on me whereever I may be
When this world's got you feelin' blue
Call on me and I'll run to you
My friend
~Blessed Union of Souls

ASHLEY ARSENAULT

Dear Ashley,
We can hardly believe it is possible that you are at this point in your life. The time has gone so quickly. It seems like just yesterday, your favorite form of transportation was Tim's shoulders, then we blinked and you were all grown up and sitting behind the wheel of our car driving yourself. Always remember how much we love you, how proud we are of you, and that we are always here for you! You have so much to offer and on your journey... "May your journey be your anchor and the Lord Jesus be your compass." Proverbs 3:6 In all your ways aknowledge him and he will make your path straight.

I just want you to know that you have also shown that to me. Having a daughter like you makes me truly believe it.
